

IOMICA Events Sub Committee
Proposal for Class Championship Regulations to Expand Continental Championship
Events.

Proposal:

Change in Class Championship Regulations.

Replace:

4.2 The IOM Class may hold a Continental Championship biennially in the year when there is no World Championship. Continental Championships already agreed are:

(i) European

With:

4.2 The IOM Class may hold Continental Championships biennially in the year when there is no World Championship. For the purposes of these regulations “continent” means any one of Europe, North America, South America, Asia, Africa and Oceania.

Discussion:

ISAF addressed the issue of Continental Championships as follows:

Continental Championships

18.11 ISAF Class Associations have the sole right to hold continental championships of their class, these being class events as defined in Regulation 26.5(f).

18.11.1 ISAF Classes holding continental championships shall obtain the approval of the National Authority of the nation where the event is to be hosted.

18.11.2 The Continental Championship shall be a class event as defined in Regulation 26.5(f)

And 26.2.1 (f) includes the following:

For the purposes of these regulations “continent” means any one of Europe, North America, South America, Asia, Africa and Oceania.

The changes to the CCR are designed to clarify the position regarding Continental Championships and allow Continents other than Europe to hold an IOMICA Continental Championship.
